

PARKING INSTRUCTIONS

PRIVATE PARKING BLAAKHAVEN

ARRIVING

By car you can reach the Gelderseplein only from the **Maasboulevard**.

PICTURE 1

GETTING TO THE GARAGE:

From the Maasboulevard at the traffic lights, take the exit to the **Geldersekade** (enter this street in your navigation) keep the white 19th century office building with the "**CALEX**" letters on the roof to your left while you continue straight ahead onto the Geldeseкаде. (see PICTURE 1)

ENTERING THE GARAGE

At the end of the Geldersekade you'll find the parking garage **Blaakhaven**; underneath the CitizenM hotel. (Picture 2 below)

PICTURE 2

Stop your car **inside the marked area**, a white cross with four orange pillars (see picture 2). Once stationary **inside** the four pillars your license plate can be read by the gate system, when your license is registered in the system the light will turn green and the gates will open.

INSIDE THE GARAGE

Follow the driving direction (**right turn**) as marked by the arrows (see picture 3 and 4 below). You can park on the following numbers as marked on the floor.

2, 3, 8, 9 or 12 (immediately after entering the garage)

27, 28 & 38 & 46 (Left rear of the garage, next to the pedestrian exit)

93 until 97

105 & 106

1 & 64 (last two spots before exiting the garage by car)

PICTURE 4

EXITING PEDESTRIANS

The exit is located in the back of the garage **next** to parking spot 46 (see picture 5 and 6) follow the stairway up to the Gelderseplein, Fitzgerald is located right across from here, with her entrance underneath and across from the CitezenM Hotel.

PICTURE 5

PICTURE 6

YOUR DEPARTURE

After dinner (parking cost are on your receipt) an employee will hand you a card to unlock the entrance doors of the garage. Across the Gelderseplein the same doors as you exited the garage underneath the "REBEL" logo. Left of the door u can see the card reader. **Press the card with the text towards you against the grey square.**

This square

DOORS

After opening the first door, follow the staircase down, downstairs the first set of doors is already unlocked. The second is locked and has a small metal box next to it. **To unlock the door put your card THROUGH the slit in the box.** Once fallen through u have 5 seconds to open the last door.

PICTURE 9

EXITING BY CAR

Follow the arrows on the ground until you come to the black square on the floor (see picture 10) put your car **on top** of the square (like when entering the garage). **Your license will be read, and the traffic light will turn green**, you can now exit the garage.

Please exit the garage carefully mind the pedestrians and cyclists outside.
